_**My OC:**_

**Name: Mindroid**

**Age: 14 (15 on Sunday)**

**Personality: bubbly, sometimes dark when it comes to people not listening to her. She also has a huge crush on Cole, though she may not express it all the time. **

**Looks: titanium Skylor-like hair, massive titanium headphones, grey skin, light blue eyes, one black stripe running through her right eye. She is wearing a galaxy midnight blue ninja robe. **

**Element: moonlight. **

Me: *lights shine on me and jazzy music plays as audience cheer* hello! Hello! My name is Mindroid! And welcome to...*long gasp* truth or dare season one episode one!

audience clap

Me: ok shut up now! *audience stop clapping* now as you know this is the first season ever! Woo! And I dont think I'll be ending it soon.

Unfortunately, I am discontinuing 'Eyes Of Phi'. *audience aww* I don't really enjoy writing it, it's just...blegh! Now, who are the people we are going to dare? That's right! It's the Ninjago Cast!

tobu-hope plays as the Ninjago cast come in. Audience is clapping as they wave at the audience. I fan girl squeal as Cole enters the room

A/n: My OC has a crush, and I mean l, a huge crush on Cole.

Me: welcome Ninjago cast welcome.

Wu: thank you, so nice to be here.

Jay: I was forced to be here, hey Wu, where's the toys that you promised me? Oh wait *annoyed* they're fake.

Me: er...ok...

Kai: let's get it started!

Cole: yeah!

Zane: yes, let us start.

Me: ok, so here are the rules mates. The rules are that there is no rules there fore you can do anything you want.

Ninja: yay!

Me: but...

Ninja: *confused looks*

Me: *darkly* there is one rule...and that is...whatever dare or truth you must get, you must do or answer it. Understood?

Ninja: yes mindroid...

Me: good! OK, *takes out cards* let's start off with a 'how well do you know me quiz?' shall we?

Ninja: ok!

Me: ok, whoever gets this right, can be the first to give someone a dare or a truth. Ok the question is, what was my 2nd username on fanfiction? Is it A, Crykey. B, Jennifer1223486, C, Vyrisstrap.

Cole: um...A?

Zane: C

Jay: it has got to be B.

Kai: A.

Me: the winner is Jay! Yes, my second name on fanfiction was Jennifer123486! My first, don't remember. My third was Crykey, and my

forth, which is my name now, is Mindroids and Drones! Well done *audience clap*

Jay: yes! So uh...do I go?

Me: go ahead. *hands him the cards*

Jay: ok, Kai! Truth or dare!

Kai: um, let's go with the logical choice. Truth.

Jay: is it true that you have a picture of skylar hidden in your bedroom?

Kai: no?

Jay: kai...

Kai: yes. *blushes* ok were still together! So it doesn't matter.

Cole: creepy if you ask me.

Zane: yes, that is rather worth vomiting.

Kai: .-. ...

Cole: ok Kai, who you gonna ask?

Kai: *sighs* Zane, truth or dare.

Zane: truth, I suppose...

Kai: well...ok.

Me: I wanna ask one!

Kai: k. Zane is it true you still have petrol on yourself *snickers.*

Zane: well, no I was 6 by then.

Kai: *laughs*

Me: ok Um, let's get some dares going. Zane, dare someone.

Zane: ok *skims his friends* ronin!

Ronin: *snaps out of his other world* huh, what?

Zane: I'm daring you to...hang on I'll be back. *he goes to the prop box and gets out a tutu* wear this and say "I am a pretty little queencess."

Ronin: I am not doing that nonsense.

Me: remember the rule...?

Ronin: oh yeah. *takes tutu and puts it on. He takes the fake wand off Zane and begins to dance like a ballerina* I am a pretty little

queencess! I am a pretty queencess!

Ninja: *laughs*

Me: *just stares* uh...is this some kind of joke?

Cole: yeah, a funny one!

Me: yeah, typical cartoonish joke.

Cole: aw come on, lighten up mingirl. *grins cutely* you'll get it soon.

Me: *blushes red* uh...*snaps out of it* ok anyway, ronin you can stop now!

Ronin: *stops dancing* oh phew! After a long day of-

Drunk guy: oh hello beautiful, *goes over to Ronin, who is still wearing his tutu* nice tutu.

Ronin: *blushes and punches him down with his fist* I'm a full grown man thanks!

Drunk guy: *from floor,voice cracking* still think you're beautiful! *ronin blushes in anger*

Me: is that guy drunk?

Cole: maybe, are you? *chuckles and I punch his arm* ow!

Me: good, feel the pain! Ronin, you're turn to dare someone. Or give them the truth.

Ronin: alright *rubs his hands together* um, Cole?

Cole: what.

Ronin: truth or dare!

Cole: dare me.

Ronin: I dare you to speak your language for the rest of this episode..

Cole: che sarÃ facile! (that will be easy!) Jay , la veritÃ o il coraggio? (Jay, truth or dare?)

Jay: uh...

Ronin: my dare was awesome?

Ronin: er...

Cole: Mi avete il coraggio di cantare una canzone d'amore per Nya! (I dare you to sing a love song to Nya)

Me: ooh ;3

Ronin: ooo lala!

Jay: shut up! This is only the one time thing! *gets out guitar* a song to Nya.

Nya: me?

Jay: *slightly irritated* yeah. You.

Cole: who else is called 'Nya'?

Me: yes! And even better? The Ninja are here!

everyone cheers and squeals at them

Me: ok, so I have received a request from Lizzy... guess what it is...

Jay: the toys sensei Wu promised?

Kai: ooh! A new car?!

Cole: cake?!

Zane: a new life?

Cole: what the **** Zane.

Zane: *shrugs* just...

Me: it's none of those. Its...requested truth or dare!

Jay: woooooo- wait that's bad right?

Me: very, very bad. Let's break it down a bit and let's try and get this done!

audience clap

Me: ok, so the first dare is for Lloyd. I believe lielack would love to read it out.

Lielack: most certainly. *takes card* ok Lloyd. It says:

"Lloyd- Do a duet with Kai, him on the Piano, Lloyd on the violin."

Kai: but I can't even play the piano! Unless we do a duet on 'Mary had a little lamb'?

Zane: seriously?

scrambled screen

kai is now on the piano and Lloyd is holding a violin.

Khaotic: let me hear the sweet sweet sound of music.

Me: ill count you in. Three, two, one, go!

kai begins to play the piano,Lloyd then joins in softly playing the violin. Lielack's eyes grow bigger and she blushes while watching Lloyd play the violin. The duet is now over

Khaotic: *claps*

Me: *claps harder*

Lielack: woo! *claps and whistles*

Kai: *blushes* err, it was nothing *chuckles*

Lloyd: you told me you couldn't play the piano.

Kai: well...destiny changed!

Khaotic: ok, next one. *reads card* it says:

"Zane- Do the Charlie Charlie challenge."

Zane: what is the "Charlie Charlie" challenge.

Khaotic: *smiles darkly* oh you'll see...

scrambled screen

Khaotic: *puts two pencils in front of him, crossed over each other.* now. You're gonna say "Charlie, Charlie, are you here?" and if it moves...there is a ghost.

Zane: preposterous! There are no such thing as ghosts.

Cole: uh...im a ghost? Zane?

Zane: Charlie, Charlie, are you...*gulp* here?

the pencil slightly moves, saying "yes". Zane immediately runs out of the room, frightened.

Khaotic: what he doesn't know is that it's only the wind.

all laugh

scrambled screen.

Me: ill read the next one. It says *wriggles eyebrows*:

"Cole- do the cinnamon challenge."

Cole: challenge accepted. *gets out cinnamon and bangs it on table.* man I've always wanted for this day...

Jay: *snickers* eat up Cole!

Ronin: I hope you live to see the next day!

Cole: *puts cinnamon on spoon* technically, I'm already dead. And if I was still mortal I would have been slapping your face. *eats cinnamon*

Jay: *sly face* ooh, touchy Cole. But that kinda backfired.

Cole: how?...

jay counts down from three to one until Cole is now in a coughing fit, puffs of cinnamon come from his mouth. Jay is now in a laughing fit

scrambled screen.

Cole: *drinks a whole bottle of ghost water.* I may never do that again.

Lielack: hope so *laughs a bit* any way, that was the last dare. We are onto truths!

Nya: finally.

Khaotic: I wouldn't be so happy if I were you.

Nya: why?

Lloyd: what's going on?

Khaotic: the truth says:

"Nya- Jay or Cole?"

Nya: what?!

Jay: what?!

Cole: ...eh.

Nya: obviously I would go for Jay! He's my boyfriend for Pete's sake!

Pete: hey *waves from audience*

Jay: *smiles* aw, Nya...

Me: k, the next truth says:

"Wu- if you could only save one ninja, who would it be?"

Me: ooh, some people are going feel like bread tonight!

Wu: easy. Lloyd.

Jay: why?

Wu: because he's my nephew and the green ninja. You guys are important though, but not that important.

Cole: aw, what?!

Zane: I'm crying, from the inside.

Cole: you said that phrase in episode 1!

Zane: whatever.

Lielack: my turn. This truth is for Misako!

Misako: I get one and I'm not even one of the lead characters in Ninjago!

Ronin: maybe because she likes you *laughs*

Lielack: it says...

"Misako- Have you ever had a crush on Wu?"

All except Wu and Misako: ooh!

Cole: *says in a sexy tone* romanticismo Ã¨ nell'aria (romance is in the air)

Me: *sighs dreamily.*

Wu: Misako...?

Misako:...kinda. Like he's different to Garmadon...

Wu: then let's go out.

Misako: I'm with Garmadon.

Cole: but that's basically two-timing right? No person should do that to the other.

Jay: at least Wu is feeling like an egg.

Kai: yeah a boiled one!

scrambled screen

Me: and the last one is...

"Jay-would you rather jump into a pool of sharks or eat a bucket of worms?"

Jay: *shocked/ confused look*

Kai: nice one Lizzy! *giggles*

Jay: says you Kai! You'll probably go for the worms.

Kai: *casually* of course I'll go for the worms I hate water.

Nya: Hey! I'm the water Ninja *frowns*

Jay: if someone dares Kai to eat worms I'll be your slave forever!

Kai: they won't. *smirks*

Jay: to answer your question. I would go for the sharks.

Khaotic: awesome!

Lielack: so I guess this is the end?

Me: yep! Until then, bye! Make sure you keep bringin up this truths and dares!

Cole: hello *waves*

Kai: *smiles*

Zane: ...

Me: wow Zane? Untalkitive today?

Zane: yes.

Kai: I know why...*Zane lowers his head* it's because-

Zane: don't!

Cole: *a bit annoyed* what do you mean by 'dont'?! Is this some kind of mistake?!

Zane: it's private.

Jay: but if it doesn't come out, how is the problem going to be solved?

Cole: yeah, and I all for one think that Zane doesn't care about us because he only told Kai!

Zane: I can trust Kai.

Jay: and us?

Zane: just...

Cole: ._. Divide by zero. *Zane glitches out* that's better *relaxes on chair*

Me: 0-o

Lielack: we have received a few more truths and dares everyone!

audience clap

Khaotic: yep and I'll read the first one. It says...*snickers*

Kai: what?

Jay: huh what's so funny?

Khaotic: *looks at Kai, snickering with a mini tear drop running from her eye*

Kai: *has a confused look*

Khaotic: it says:

"I dare Kai to eat the bucket of worms and not throw up! And do the whip/Nae Nae after that!"

Kai: *long gasp* no...

Jay: YES! I Jinxed it! Love you soo much whoever gave him that dare! *blows kisses*

Khaotic: that was from Taylor.

Me: welp. *gets out bucket of worms and passes it to Kai* eat up!

Lielack: eat it! Eat it!

Kai: what...

Jay: *is doing a happy dance in the corner.*

Nya: eat up bro.

Kai: *whimpers as he picks up a worm* I can't believe I'm doing this...*gulps and licks the worm*

Cole: not lick it, **eat** it.

Zane: affirmative. If he does not eat it, Then he will have to pay the consequences and do a forfeit.

Me: eat the worm, Kai. *slightly angry*

Kai: *eats worm whole.* oh. That actually tastes nice!

All except Kai: ew!

Kai: *eats the whole bucket* Yum! *whips, then Nae Nae's*

Me: um... ok then...

audience are clapping, drunk guy runs on stage with a wedding ring

Drunk guy: Ronin, will you marry me? *burps*

Ronin: hey, we're in the middle of a truth or dare show! Plus, who would wanna get married to a guy like you?!

Drunk guy: Nothing matters when it comes to true love, Ronin...*burps again*

Ronin: *sighs and takes out aero blade, and drunk guy stands back a bit.* I'm warning you.

Drunk guy: sorry, my love. I never knew you were so busy...

Cole: urgh *facepalm* look, dude, can you just get off the stage?!

Drunk guy: *angry* you tryna get in the way of me and Ronin's love?!

Ronin: he can if he wants to-

Cole: *cooes* noo, *booms* it's because you're taking most of our time we need to get onto the dares already!

Lielack: somehow, I think this is funny.

Khaotic: ok! Guys! *gets out card* Lizzy has requested us some truths.

Jay: finally I thought I was gonna kill myself.

Cole: hah, Jay. *grins*

Khaotic: first one says:

"Lloyd- Would you date any of the other ninjas?"

Lloyd: uh...yeah?

Cole: woah, would you? Who?

Zane: Only pick one.

Jay: I hope it's not Nya.

Lloyd: of course not.

Jay: *a bit spooked* then...who?

Kai: is it one of us?

Lloyd: *nods quickly, then blushes.*

Jay: ...

Cole: ...

Zane: ...

Kai: ...

Me: ...

Khaotic: ...

Lielack: ok enough of the silence!

Jay: that is so cute!

Kai: tell me about it!

Cole: ok Lloyd, who's the lucky guy? *wriggles eyebrows*

Lielack: or girl...? *blushes*

Lloyd: em...

Kai: just say it!

Lloyd: Kai.

all gasp except for lielack who's mouth is wide open and Lloyd who is blushing

Kai: m-m-me? Lloyd...I-

Lloyd: shush Kai. *blushes* it's not that I'll actually date you.

Lielack: good.

cole squints his eyes in suspicion

scrambled screen

Me: ok so the next truth says:

"Wu- Would you rather be stuck in a room with 1.3 thousand Jays or 2.5 million Lloyds?"

Me: again, bread material.

Wu: easy. Second choice.

Jay: *irritated* and why the second choice?

Wu: because, who would wanna be left alone with 1.3 loud, annoying people for a day?

Jay: YOU TAKE THAT BACK!

scrambled screen

Kai: *keeps glimpsing at Lloyd*

Lloyd: *glimpses back*

Cole: *teases* ooh, looks like Kai's heart is really on fire, more like a greenflame...*eyes shine* greenflame...epic name for both-

Jay: actually, they already planned out that name _waaaaay _before you did, Cole.

Cole: and there's another good creation wasted.

Lielack: *angry* Lloyd doesn't like him!

Cole: and what's got you so angry missy? You have the hearts for lloyd?

Lielack: *lies* of course not! Just trying to get my point across.

Cole: *nods head slowly* mhmmmmm. Yeah I so believe you.

scrambled screen

Me: ok...um next truth is.

"Cole- Would you rather be a fox or a cat?"

Cole: hm...I say a fox. Cats are too ugly like ew who would want a cat? I mean they're hairy, ugly and *Jay gives him a kitten* aw...Hello kitty!

scrambled screen

Me: we have finished the truths.

Zane: and what does that mean?

Me: we're onto the dares now.

Zane: draaaamaaaaticcccc screaaaaaaammmmm!

Cole: *chuckles* seriously Zane? Seriously?

scrambled screen

Khaotic: the first one is...ooh. Ohhhhhhhh. Omg!

Me: don't worry you spelt my name right and...*turns crimson* uh...

Cole: what are we waiting for? Let's go Mingirl *he grabs my hand* come on!

Zane: this...does...not...(deep scary voice) compute! *storms over to wardrobe and bangs on it* open! Now! You're wasting time!

Cole: *from inside, giggling* give us time.

Zane: cole...

Cole: fine...*he comes out with me*

Me: wow...*blushes and squeals*

Cole: we should do that again *winks*

Me: no! *laughs*

Lielack: ok, so the next dare is...

"Jay- go on a akward movie date with Nya and Cole."

Jay: how about we change that. Nya is my girlfriend so I suggest-

Me: *deep voice taking out a nerf gun* do the dare Jay.

Cole: alright Nya! Let's go on a movie date! As friends!

Nya: ok.
